COMPANY PROPOSITION

Dotsquares Company Proposition

Print this page

How do we compete in the market?

Market Proposition	Customer Value
US Based Office →	<p>Face to face access to Sales staff and Project Managers</p>
Cost →	<p>Dotsquares competes in the market very favourably with a cost model starting at £9 per developer or designer hour</p>
Access to 600 strong multi-skilled IT team →	<p>A large team encompassing many areas of IT skills ensures that a project team has access to almost any aspect of web development expertise possible</p>
Flexibility →	<p>An Indian workforce that operates flexibly to solve project issues by adjustable manpower amounts from its 600+ team and weekend working when necessary.</p>
Ownership →	<p>All Intellectual rights and source code are owned by you.</p>
